There are "how-to" training modules for each step you take. It comes with a complete system to build specific landing pages and tracking tools for you to track your online sales. Digital Business Lounge can be used to build a website for most purposes.

Elite Membership

Private Exclusive Coaching Program

Elite is for those who want private coaching in internet marketing and personal development. These Internet millionaires will train and guide you in the different marketing strategies they use. There will be a live webinar each month for a whole year giving you an edge over your competitors.

Elite is an exclusive 12-month private coaching program in internet marketing and personal development. You get the opportunity to attend a monthly webinar where these successful online entrepreneurs show you how they market on the internet and help you to overcome obstacles that most Internet entrepreneurs encounter giving you an edge over your competitors. They give you new information about the latest strategies that work, and you're able to ask 'live' questions and get immediate answers.

In addition, there are various 'challenges' you can choose to participate in. If you join in (the choice is entirely yours) you will agree to commit to daily actions for a month. These come with daily coaching videos, training and instructions, which will accelerate your learning process.

This kind of coaching would typically cost you tens of thousands to hundreds of thousands of dollars per month if you could find similar professionals, prepared to share their best marketing strategies and secrets with you.
